

HOUSE OF DAVID MINISTRIES, INC.
BISHOP TONY OWENS

Spiritual Enrichment Course Overview and FAQs

What is the House of David Schools of Ministry?

The House of David Schools of Ministry is a Biblically-based Ministry and School of Power. We have been established by the Lord of the Harvest and sent to the Body of Christ to develop laborers to go into the End Time Harvest and reap precious souls for Christ.

Under the direction of the Holy Spirit we train, equip and empower the believer with purpose instruction, and anointing. As a result each believer will be able to function in his or her calling and intended place of service in the work of the Lord.

It is the School of Ministry's purpose to develop true Holy Ghost filled and dynamically empowered Christians who will be a demonstration of the Word of God.

What are Spiritual Enrichment Courses?

Spiritual Enrichment Courses are complete topically based curriculums designed to give your members/students teachings that will help them develop spiritually into effective Christians who are a demonstration of the Word of God in the earth. The objective of the Spiritual Enrichment Courses is to ensure that every believer gains the knowledge they need from the Word of God regarding the authority and power that should be evident in their lives.

How will a Spiritual Enrichment Course help me?

The benefit of our Spiritual Enrichment Courses is that not only do they allow you to teach your congregation the curriculum, you are given the tools to advertise the course. Through advertisement, you can bring new people into your congregation. Teaching these courses also offers you an opportunity to collect a weekly contribution from those attending your class each week. This contribution would go directly to your church and help you to build and grow.

How do Spiritual Enrichment Courses function?

These courses are designed to work in a classroom setting including in-class lessons, homework lessons, homework assignments and quizzes. We give complete instructions on how to teach each course as well as materials needed and ideas on how to facilitate the course in your ministry. We try to make everything as simple as possible for the Pastor or leader. We give you everything you will need to succeed in teaching the course, any questions you have, we are here to help you with through phone or email.

How much will teaching a Spiritual Enrichment Course cost?

We currently have 20+ individual course options. Each course can stand on its own however, there are a few that have two parts wherein, the second part builds further on what was learned in the first.

- 9 week courses - \$225

- 13 week courses - \$325 (these courses have a 1-week break)
- 17 week courses - \$400 (these courses have a 1-week break)

In taking an offering each week in class (as described in the program instructions), you can more than double what you contributed for the course.

- **What is provided with the Spiritual Enrichment Courses?**

Everything you need including advertising materials, assignments, answer keys, covers for binders, attendance sheet, course syllabi for teachers, grading sheets, teaching calendar, full explanations of how to teach a course.

- **Are there other costs involved?**

We suggest each School offer their students binders in which to keep their course materials. This keeps the students organized and upon completion of the course, the student will have a binder specific to the course. More information on the binders is provided with Teaching Materials.

As a School, it is important that the students receive copies of lesson and assignments. These copies can be made at a local office supply store, however, House of David has special offers and pricing for making your copies at a fraction of the cost.

- **Are the students given certificates?**

Yes, students do receive a certificate of completion. Within your instructions, you will find the requirements to be sent certificates as well as the guidelines for students to receive a certificate of completion. The certificates you receive will say "House of David Ministries in association with your church name", the name of the course and have a place for you to sign each students certificate.

Are there stipulations to teaching a Spiritual Enrichment Course?

Yes there are guidelines we expect each leader who will teach a Spiritual Enrichment course to adhere to.

- Course options are open however, once your choice is made, if a particular course is not ideal in the semester you have chosen, we will inform you and another choice must be made.
 - All course choice options are "first come, first served", so to speak. If another leader in your immediate area makes the request for the same course you have chosen before you, you will be informed of this and will have to choose another course.
- How many courses can I teach?
Only one course per semester is allowed. For anyone who would like to teach a second course, an official request to teach a second course will have to be made in writing. The decision for teaching will be made by the school's administration. This does not apply to any Satellite School teaching the Aspiring Ministers Program.
- Can I teach courses correspondently?
No, courses cannot be taught correspondently (including online). If it is discovered that courses have been taught correspondently, the opportunity to teach courses will be removed.
- Can I teach a course I already have again?
No, courses are prepared specifically for each semester. As such, courses cannot be repeated even if you have all of the materials. We update courses each semester and due to this at the end of a course, it becomes out of date and cannot be used again.

Advertising a Spiritual Enrichment Course

We suggest every church that will be the site of a Satellite School, have their members become involved by helping to distribute school brochures and inviting others they know to attend the class. However, because the purpose of the course is to reach as many as possible, we also suggest that more widespread advertising be done.

- You will receive our standard brochure that will contain all the information about your course.
 - ✓ 250 printed brochures are provided with your materials
- You are responsible for advertising your course. Several suggested ways you can advertise are through television or radio commercials, newspaper or internet ads, evangelistic distribution and mailings (regular mailing, bulk mailing or every door direct), etc. See below for mailing ideas and requirements
 - Regular mailing – For regular mailings you can set a goal of how much you would like to spend each week on mailing. You would purchase envelopes, stamps and copies of your brochure based on the budget you have set. You can then send out letters to the addresses on your mailing list.
 - ✓ House of David Five Fold and Ministries Network offers the opportunity to do bulk mailing for you. Our mailings come at a fraction of the cost of doing them on your own. We can pinpoint specific zip codes and areas near you to reach a variety of people you may not be able to simply through word of mouth. See the chart below for cost averages (cost is subject to change based on current postage pricing).

Number of letters	Average Cost to mail	House of David Mailing
2,500	\$2,250	\$1,453.13
5,000	\$4,500	\$2,916.25
7,500	\$6,750	\$4,374.37
10,000	\$9,000	\$5,832.50

***All mail includes both an invitation letter and a brochure to your class with listings of your service times outside of the Spiritual Enrichment course.*

- Every door direct – Go to USPS.com. Click on tab “Business Solutions” and select “Try Every Door Direct Mail”. If you choose to do advertising through every door direct, the required Postal layout can be put on your brochure for you.

***The brochure can be used as your means of advertisement via mail or evangelistic distribution.**

To begin a Spiritual Enrichment Course

- Choose a course and course length from the Spiritual Enrichment Course list.
- Once you have chosen your desired course to instruct, please make your request with the administration of House of David Schools of Ministry by calling us at 407-821-3933 or online at HouseofDavidFiveFoldNetwork.com.
- Following your request/contribution, you will receive course paperwork to sign. Complete the paperwork and send it back. Only once your paperwork and contribution are received will you receive your course instructions and materials.
